PROFESSIONAL EXPERIENCE

Senior Full Stack Developer & AI Specialist

Dream Mantra — Jaipur, Rajasthan (Work from Office)

June 2026 – August 2026 · 3 Months

- Owned end-to-end development of the company's brand website (dreammantra.in) and a production CRM Platform, working on-site daily with founders and business teams.
- Designed and shipped multi-role dashboards, lead pipeline tracking, and partner management flows used by counselling operations.
- Engineered AI-powered lead scoring, automated follow-up suggestions, and content assistance to accelerate the team's workflow.
- Managed production deployments on Render, monitored uptime, and iterated based on real user feedback.

Software Developer

Lohiya Suppliers Pvt. Ltd. — Jaipur, Rajasthan

July 2025 · 45 Days

- Developed and maintained lohijas.com, a B2B industrial supplier platform with dynamic product catalogs and inquiry systems.
- Built responsive product pages, admin panels, and SEO-optimized structures for industrial supply workflows.
- Implemented secure authentication, form handling, and performance optimizations for high-traffic pages.

Full Stack Developer

Bussi Bees EdTech Pvt. Ltd. — Jaipur, Rajasthan

August 2024 · 1 Month

- Engineered a high-performance Flipkart-inspired e-commerce platform using React.js and Node.js.
- Strengthened frontend responsiveness with Tailwind CSS for seamless cross-device experiences.
- Optimized backend data flow and API response times, improving system scalability.
